**Recognition of Office Staff**

Their “behind the scenes” hard work and dedication to making HTI the best trucking company in the country often goes unnoticed, and many times under-appreciated in the trucking industry. However, they are vital to our success. Without them, phones wouldn’t be answered, bills wouldn’t be paid, customers wouldn’t be acquired,

paychecks wouldn't be distributed, backgrounds wouldn't be checked, insurance questions would be ignored, loads wouldn't be planned, and on and on and on.
